

NATIONAL ENGLISH SCHOOL

ICSC & ISC

CO-ED

PROSPECTUS

The School

National English School is a co-educational institution established in 2000 at VIP Road, Baguiati. Founded by renowned philanthropist Sudhir Kumar Saha, NES prepares its students to embark on a journey of academic and personal excellence. Our innovative and dynamic curriculum offers a practical and application-based learning approach that fosters critical thinking, problem solving and creative ability while promoting an all-round progress through a rich and diverse co-curricular programme covering sports, music, art, cultural and literary activities essential to the holistic development of the child.

The NES emblem, portraying a swan in flight, with the motto **"Dare to Know"** symbolises our students' undaunted quest for knowledge that empowers individuals to challenge conventional thinking in pursuit of original ideas. The ethos of the school, aptly summed up in its motto, inspires our students to express their latent aptitudes and creativity, encourages their aspirations, and creates opportunities for them to develop their

native talents and abilities, which helps each child to achieve their true potential.

We have a strong track record in academics which is reflected in our outstanding board results. In ISC examinations, our class XII topper Aditi Jhunjhunwalla was awarded by the Chief Minister of West Bengal for excellent Result and all our students have scored above 60% with a class average of 83% in ISC and 86% in ICSE. Our class XII topper Ritwika Hazra scored 99% and secured 2nd rank in state and 4th rank in India in ISC, 2016. These impressive results are a testament to the hard work and dedication of our highly-experienced faculty who are committed to ensuring that each and every student at NES excels, and leaves our school as motivated, responsible and confident young adults, not afraid to chase their dreams.

At the heart of our success is our constant endeavour to make learning interesting, enjoyable and stimulating. We have been pioneering innovative teaching techniques

using audio-visual aids and live working models to demonstrate various concepts and their applications, with a strong emphasis on interactive learning to make sure that every student is fully engaged with their lessons, and is working to the best of their abilities.

Our **Rajarhat Campus** was inaugurated by Dr. Asim Dasgupta, Hon'ble Finance Minister, Govt. of West Bengal in February, 2008. The wing at Rajarhat, spread over a sprawling 60 cottahs campus, provides state-of-the-art facilities for academics and sports, and a world-class ambience that kindles the child's natural desire to learn. Our National English School (Primary), Deshbandhu Nagar Branch has obtained a NOC from the Dept. of Education, Govt. of West Bengal. In the year 2017, the NES educational Trust has come up with an avantgarde facility for teacher training at Rajarhat, Christened **National College of Education** set in a modern 65 cottahs campus, the B.Ed. & D. El.Ed college, approved by NCTE, Ministry of HRD, Govt. of India, affiliated to WBUTTEPA & WBBPE for B.Ed. & D.El.Ed and was inaugurated by Dr. Partha Chatterjee, Hon'ble Education Minister, West Bengal Along with B.Ed. & D.El.Ed courses offered now, B. A. & B.Sc. integrated courses will be introduced shortly. It is the brainchild

of visionary educationist, Samir K. Saha, our Founder Director, who was shaped these institutions with sky- high determination, and a lifelong passion to accomplish the dreams of innumerable scholars.

Infrastructure

The school has a six storied building with lift facility.

There is a 4000sqft. **Auditorium** , on the top floor of the school building, used for cultural activities and inter- house competitions.

The School has a world - stocked resourceful **Library**, three cutting - edge

Science Laboratories with modern equipments for scientific experiments, and two state-of-the-

art **Computer Laboratories**

having more than 100 computers with up - to - date software

packages and **Wi-Fi** facilities. **CCTV** Cameras are connected in every classroom to study the progress of the students. The School has installed Solar panels, an alternate source of Energy. We have launched parents' App, can be accessed from the school website to monitor class assignments, attendance report etc.

SMART CLASS (E- LEARNING)

The School has introduced digital classes termed 'SMART CLASS'. The idea is that classes are conducted through Audio Visual aids and the content is displayed on the huge wall mounted Touch Screen Interactive Display System linked to the school's server. The Package includes specially tailored class-wise and subject-wise programmes for the students, which boosts them to go beyond conventional teaching through text books and makes the subject matter much more attractive. These interactive lessons help the students to understand the concepts through video clippings, 3D diagrams and simulated experiments. Animated pictorial representation helps the teachers to easily explain difficult concepts to the students.

JUNIOR SCHOOL

The Junior School is a period of preparation, equipping each child with the skills and knowledge required for entering Senior School. The Students are introduced to a

world of new ideas, concepts and experiences. The training given during this period encompasses an enormous sphere of activities, which provides innumerable opportunities to hone the child's capabilities and talents. While the process involves learning through experience and activity, due emphasis is also given to formal text book education. The entire process is aimed at preparing students who possess a firm foundation in the languages, arts and science, and an ability to think logically and creatively.

SENIOR SCHOOL

In the Senior School emphasis is on preparing the students academically for the first public examinations of their lives; at the same time, care is also taken to explore and hone the latent aptitudes of every student, in activities such as sports, dramatics, elocution, debating, quizzing etc. Co-curricular activities are thus an integral part of the curriculum of each class, and every student is encouraged to participate in the activity of his / her choice. At the end of their tenure in Senior School our students appear for ICSE and ISC examinations, conducted by the council for the Indian School of Certificate Examinations, New Delhi. We have ISC classes offering all the three streams of Science, Arts and

Commerce. The final aim of the Senior School curriculum is to produce a competent and intelligent individual, one who is aware of his / her capabilities, aptitudes and responsibilities, and is ready to face the world.

Academic Session

Our Academic Session is from April to March. We have two Unit Tests and the Mid Term Examination prior to the Annual Examination held towards the end of the academic year. We believe that success and discipline go hand in hand and underpin this by setting exceptionally high expectation in relation to attendance, punctuality, behaviour and effort.

Admissions

Admission forms along with the school prospectus are issued from the school office on and from 1st September. Forms should be submitted within in 7 days of collecting it. Admission will be granted on the basis of performance of the candidate in the interview for nursery classes and in written test and interview for class 1 and above. Candidates will be examined on the syllabus of the class immediately below that to which they seek admission. Both parents/guardians will be required to attend an interview. The following documents are required to be submitted with the admission form :

Transport

The school provides safe and comfortable transport facility for the students. Each School Bus has a Wireless Tracking system, first-aid and an attendant.

Faculty

The School has highly competent, trained and convent educated teachers, who are among the best in their fields. The School has achieved the distinction due to the sincere efforts of it's teacher's who give special care and individual attention to the students. Our teachers are in the Council's panel of ICSE and ISC Examinership and they regularly take part in training programmes and

workshops conducted by the council's. ICSE and ISC mock test question papers of the school, prepared by our faculty are published in the renowned newspapers of India like 'The Times of India' and 'Sanmarg'. The school has an ongoing faculty training and staff inset programme organized in conjunction with our B.Ed college project 'National College of Education'.

NATIONAL ENGLISH SCHOOL

Welcome!

Harvest

The school publishes a yearly School Magazine named "Harvest", which provides an encouraging platform to

showcase the student's literary and creative ideas in a vibrant and colourful canvas.

Parent-teacher Meeting

The school keeps a constant touch with the parents through the school diary. Besides this, regular parent-teacher meetings are held to exchange views for the desired improvement of the concerned ward and facilitate regular and transparent communication between parents,

teachers and school administration. Parent's should see that they participate in all kinds of school activities.

Counselling & Health Check-up

Students here undergo regular meditation to overcome the stress they face in various stage of growth. For special cases our experienced psychologist as Counsellor is there to guide them for a balanced development. The school conducts a health check-up programme regularly under the guidance of a renowned senior paediatrician and also maintains the health records of the students.

Investiture & House System

The Investiture ceremony is held annually where the student council of the school comprising the Head Boy, Head Girl, House Captains and the Prefects are pinned badges by the Principal followed by an oath taking ceremony in which the entire council takes an oath to deliver their portfolios to the best of their abilities.

The Students of National English School are divided into four houses. Each house has a House Captain and a mentor who helps to organise inter-house competitions effectively. Houses with various colours are named as follows :

- Red : Netaji House
- Yellow : Swamiji House
- Blue : Teresa House
- Green : Tagore House

The main role of the student council is to maintain discipline in association with teachers and to see that other pupils adhere to school rules. Besides this, Council members should imbibe within themselves a keen sense of sincerity, loyalty and show a marked performance for others to follow their footsteps in future.

Social Service

Our students actively take part in various public awareness programmes viz. Tree Plantation Programme, Traffic Safety Week etc. Our students visit orphanages before festivals like Diwali to gift crackers, sweets, cakes and chocolates to the children to light up their innocent hearts with new hopes and spirits. They also visit old age home on the Raksha Bandhan Day to bring back smile on those aged people's faces by tying Rakhi-the band of love and gifting them cakes and sweets. Every activity of the school leaves behind lessons on ethics and values which will remain with a child through his life.

Activities

A variety of activities and games are offered as an integral part of the school curriculum. The school is having four different Clubs-,Literary Club, Science Club, Cultural Club and Sports Club which nurtures the native talent and creativity of the student and develops an awareness for rich culture and heritage of India. The literary club boosts up the student's for debate, quiz and elocution. The Science Club offers students to do activities that extend and enhance the classroom study. The Cultural Club focuses on the traditional Indian as well as western art, dance, music and drama. The sports club organises indoor and outdoor games and inter-house and intra class competitions to ensure that the students imbibe a healthy, competitive spirit and loyalty to their respective houses or classes.

The various activities organised by the clubs are

Literary Events - Quiz, Elocution, Declamation, Debate, Extempore, Turncoat, Vocab-o-mania, Creative Writing, Story Telling, Street Play/Drama, Poetry Writing, Spell Bee, Slogan Writing.

Cultural Events - Inter-House Dance, Inter House Singing, Fashion Fusion, Non-Gas Cooking, Hair Styling,

Rangoli, Drawing / Collage, Salad Making, Flower Arrangement, Swachh NES Abhiyan. Instrumental Jugalbandi.

Sports Events - Basketball, Cricket, Football, Throwball, Kabbaddi, KhoKho, Table Tennis, Chess, Carrom, Hand Cricket, Tug of War.

Excursion

An Annual Excursion is conducted for all classes during winter to bring about social development and impart extended learning among students in a joyful manner. Children are taken to

interesting locations like science City, Merlin Greens (IBIZA), Botanical Garden, Nature Park, Birla Museum, Indian Museum and many others. The experience gained from these trips add to the knowledge bank of the students. Students of classes XI and XII are taken for an excursion to happening places like Gangtok, Darjeeling, Vizag, Araku Vally and so on. Teachers always accompany the students on these occasions, to ensure the correct balance between fun and learning.

Annual Sports Meet

The annual Sports is also an attractive and colourful part of the various school events held throughout the year. The Annual Sports Day is held during the winter, before the winter vacation. Events are organised in accordance

with the age-group of the students .It encourages healthy competitiveness and bring out the team spirit an sportsmanship in the students. Winners are felicitated with prizes by reputed sports personalities.

Annual Concert

The Annual concert, "Symphony" which includes the prize distribution ceremony, is an important event on the school Calendar. The highlight of the function is the Cultural Programme, in which several students participate to put up a veritable feast of songs, dances and plays. Held at science City Auditorium, the Annual Concert is graced by parents, guardians and distinguished guests.

The NES Education Society has instituted 'Sudhir Kumar Saha Memorial' award for the Best Male Student of the year, and 'Nirmala Saha Memorial' award for the Best Female Student of the year chosen on the basis of academic excellence and all - round performance. The awards are presented during the Annual Day Function.

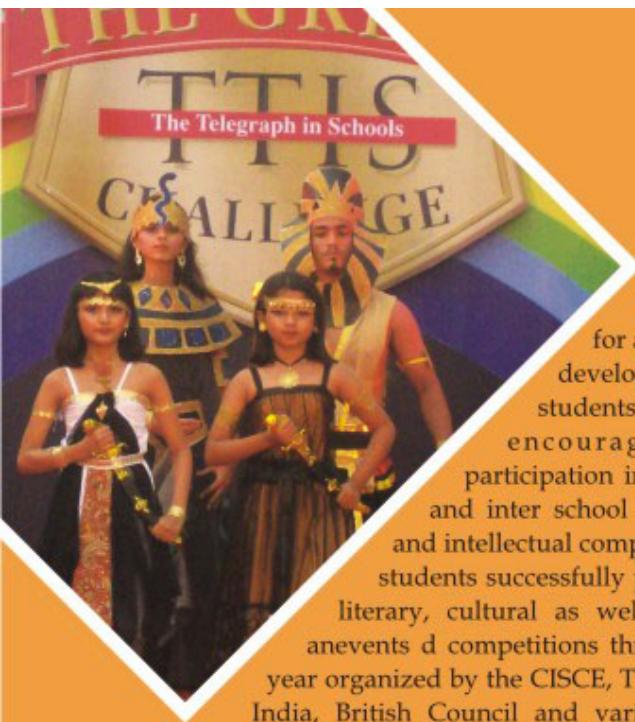

Sensation

Every year of children's Day NES organizes an inter school fest and dance carnival- 'sensation'. The school is transformed into a scintillating arena beaming with dazzling colours and festive fervour as the students put up food stalls, game stalls and vibrant tattoo stalls. Judged by a distinguished panel of invitees, the students intricately depict thoughts, feelings and emotions through their dances on themes like Brotherhood, Women Empowerment, Love and Betrayal which leaves the audience awestruck.

Annual Exhibition

'La Spectacle' is held annually where the young talents display charts and demonstrate their models. Students develop and showcase their own software and power point presentations. This offers proper scope to the students to explore their minds of high potential .

Achievements

In our endeavour for an all - round development of our students, we at NES encourage healthy participation in inter-house and inter school co-curricular and intellectual competitions. Our students successfully participate in literary, cultural as well as athletic events and competitions throughout the year organized by the CISCE, TTIS, Times of India, British Council and various schools.

Our students were the winners of the Bournvita Quiz Contest and the BITM Quiz Contest in both Junior and Senior Category. We were the champions in the Inter school Quiz organised by St. Stephens School in association with TTIS. Our students were the toppers in the TTIS Essay writing Competition and also won in the TATA 'Building the Nation' Essay Writing Competition. We were the Champions of the TTIS Interschool Football Competition. NES was declared the overall runners up among several participating schools in the Franco Fiesta organised by St. Francis Xaviers School as they bagged

prizes in Debate, Quiz, Dance, Fashion Show, Rock Climbing and Pool. Our Students won prizes in the Sunrise Fest in Quiz, Creative Writing and Extempore. Our senior students from the science stream are the Runner up of the Science Exhibition organised by the Times of India .Our students consistently perform well and win medals in Maths, Science and Cyber Olympiads and International Assessment for Indian Schools (IAIS) organised by MacMillan.

Every year our ICSE and ISC Toppers securing above 90% are felicitated with Awards and certificates in various Awards Ceremony organised by Media Houses. ICSE candidates scoring above 90% receives scholarships from School Managing Committee every year.

Since our inception in 2000, NES has continued to grow the academic fine arts, and athletic programs that have elevated our students to the highest levels of achievement. We are proud of our students who never flounder to take part in any event or competition. Their fervour and passion for their school, make our students unique and unrivalled. More importantly, we at NES are committed to develop our students' strength of character, leading these young men and women to serve their community across the globe and become worthy citizens of the country.
